CATALOGUE NO. 2

HILLSDALE

LANDSCAPE COMPANY

INDIANAPOLIS, INDIANA

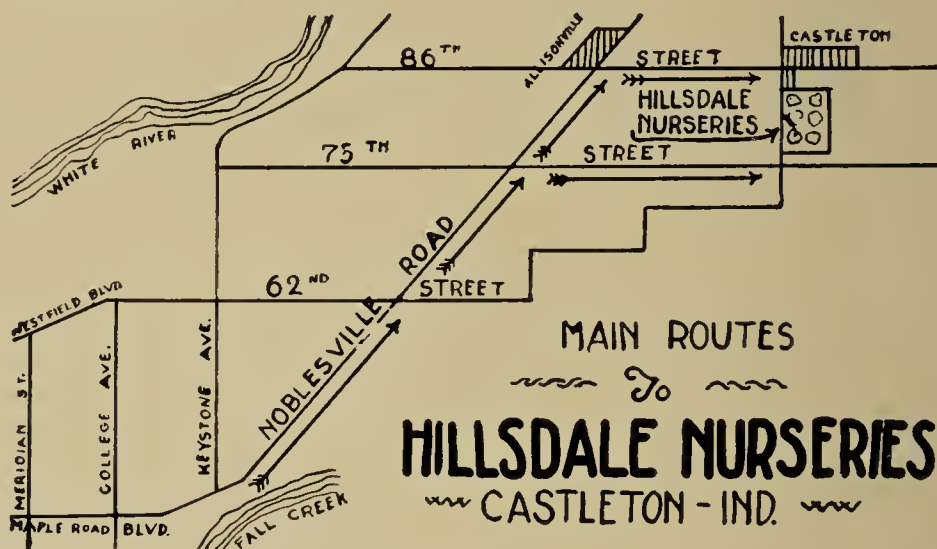

AN INVITATION TO HILLSDALE

Those interested in Trees, Plants, and beautiful Gardens are always cordially welcome at Hillsdale. Our Rose, Perennial, and Rock Gardens hold a wealth of interest and ideas for everyone.

While this Catalogue, with its pictures and descriptions, will give you some idea of what you will see here, it cannot possibly reveal the pleasure you are to have if you come out and visit our nurseries.

LOCATION

The office and nurseries are one-quarter mile south of Castleton, on Nickel Plate Railroad. Five miles northeast of Indianapolis. To reach us by motor from Indianapolis, drive out on Noblesville road, which is now State Road 13, proceed to Allisonville; here you see our sign at the crossing, turn to the right (east) on 86th street to Castleton. Turn right (south) in Castleton to nurseries.

OUR LANDSCAPE DEPARTMENT

We maintain a thoroughly trained Landscape Organization equipped in every respect from the drawing of plans to their execution.

Landscape improvement of the grounds surrounding the home is not an expense but is a sound investment. Money and time expended upon developing the landscape setting of the home is repaid manyfold, not only in increased financial value of the property, but in the enjoyment which it gives and thus aids in perpetuating pleasing neighborhoods of comfortable residences. Landscape development of high character contributes much to the beauty and stability of the whole city, a real civic asset.

Landscape improvement depends for its success upon the knowledge, skill and good taste of the designer to whom its planning is intrusted. An intelligent, logical plan must precede a pleasing and acceptable result upon the ground. Careful planning, based upon extensive experience, avoids costly and unpleasant mistakes.

The carrying-out of landscape plans in a desirable manner requires a wide range of plant and construction material and master craftsmanship in their placing and handling. We have endeavored to increase continually the variety of our nursery stock and to improve our quality in every way. We have tried to perfect more economical and efficient methods of landscape contracting to meet the wishes of progressive designers.

HARDY HERBACEOUS OR PERENNIAL PLANTS

20c each, 3 for 50c, except where otherwise priced.

By this term is meant such plants as may be allowed to remain permanently in the open ground, whose foliage dies down to or near the ground each Autumn, coming forth again with renewed vigor the following Spring, giving a continuation of bloom from early Spring until frost. All our plants are field grown and are many times larger than seed bed plants.

We are constantly searching for and adding new and rare varieties of merit to our extensive collection.

(Varieties marked with an asterisk (*) are particularly adapted for the rock garden.)

DIRECTIONS FOR ORDERING

Write plainly and give explicit directions as to address and mode of shipment. Shipments will be forwarded exactly as directed but where without instructions we will use our best judgment. All our products shipped travel at the purchaser's risk. Any claims for damages should be made promptly to the transportation company's agent at the point of delivery. All goods are carefully packed.

We accept all orders on condition that they shall be void should injury befall them from frost, hail, fire, or other causes beyond our control.

TERMS

Prices in this list cancel all previous lists and quotations. Customers unknown to us will please send cash or references with orders. Accounts are due when bills are rendered and prompt payments are expected. Prices given in this list are F. O. B. Castleton, Indiana. Higher prices will be charged for specimens of higher quality selected by the customer or his representative.

Lots of 5, 50 and 500 trees or plants will be charged 10, 100 and 1,000 rates. These prices include packing costs, except on excessively bulky pieces, for which cost of packing will be extra.

GUARANTEE AND CLAIMS

All goods are guaranteed true to name, up to grade, full count, and in good condition when delivered. We use the greatest care to have all our trees and plants true to name and will replace any that prove untrue or refund purchase price. We shall not be liable for more than the purchase price. As we have no control over its usage after it leaves our hands, properly packed and in good condition, we can not guarantee it to grow; however, any just complaint will receive our utmost consideration. All complaints of error on our part, except that of untrueness of name, must be made within five days after receipt of goods. Plants are living organisms and their success depends upon the care you give them. Treat them well and do not hesitate to confer with us at any time regarding the care that should be given them. We want them to grow and thrive for you.

PLANTING

At a small additional charge per plant or tree we will plant upon your grounds any of the stock named in this list.

An extra charge is made for balling deciduous plants not marked B&B either in dormant season or when in full leaf for summer planting.

DELIVERY

We deliver free to Indianapolis and within a radius of ten miles from nurseries for all trees and plants bought at the nurseries amounting to \$10.00.

Arrangements can be made for distance deliveries by motor truck.

Address all communications to The Hillsdale Landscape Co., R. R. 13, Box 158, Indianapolis, Indiana. Telephone Hu. 8585.
